

EL JEBEL

MANAGED BY **non plus ultra+**

CLASSICAL + ELEGANT + UNRIVALED

Voted one of Denver's top five architecturally significant buildings, **El Jebel** was originally built in 1907 as a meeting hall for the local chapter of the Shriners. With its Moorish-inspired architecture and upresidedent design detail throughout, this historic venue houses several different unique event spaces spread over its four floors, including a massive golden ballroom and truly unique amphitheater. El Jebel can be found just outside of Denver's Downtown Central Business District.
