INDUSTRIAL + CHIC + ADAPTABLE

Originally home to a renowned saddlery in the 1930's, this beautifully restored brick-and-iron building now combines early 20th century architecture with modern event capabilities. **Storek** offers five separate floors that combine to over 40,000 square feet of event space, complete with a mezzanine that encircles the entire first floor. Storek is located in SOMA, just a few blocks from Civic Center.
